

RESUME

NAME: MR. ANILKUMAR SATALING BIRAJDAR

CONTACT NO: (M – 9594999115)

EMAIL I.D. : birajdar.anilkumar@gmail.com

DATE OF BIRTH: 22/08/1973.

SUMMARY :

Dynamic leader with a robust portfolio spanning 26 years of orchestrating large-scale infrastructure projects, including notable successes in metro rail systems. Currently working as a **Station In-Charge** for the **Surat Metro Rail Project** & former **Project Director** for the **Pune Metro Rail Project** (Reach 1 & Reach 2) and current, I bring a wealth of experience in project execution, management, and finance. Recognized for my ability to cultivate strong relationships with top-tier consultants, architects, and business leaders, I excel in driving collaborative success while maintaining a sharp focus on delivering projects with exceptional quality, adherence to timelines, and cost-effectiveness. With a reputation as a top crisis manager, I thrive in challenging environments, consistently achieving targets while upholding the highest standards of integrity and professionalism.

Key Strengths:

- **Project Leadership:** Orchestrated major metro rail projects, demonstrating expertise in overseeing all project phases from inception to completion.
- **Technical Proficiency:** Versatile in navigating the technical and commercial complexities of diverse projects, ranging from residential and commercial developments to industrial facilities, IT parks, and metro systems.
- **Stakeholder Engagement:** Skilled in building and maintaining strong relationships with clients, consultants, and project management teams, fostering alignment and driving successful outcomes.
- **Crisis Management:** Recognized for my adeptness in managing crises and challenges, ensuring project continuity and success even in the most demanding circumstances.
- **Quality Assurance:** Committed to delivering projects of impeccable quality with zero defects, employing rigorous quality control measures and best practices.
- **Budget Adherence:** Known for achieving project objectives while optimizing cost efficiencies and maintaining profitability, consistently delivering within budget constraints.

EMPLOYMENT RECORD :
