Dear Sir,

Greetings of the day....!

I Mr. Mahesh C. Bhamre am an experienced Civil engineer with 23+ years of experience in various infrastructural development projects.

I have looked carefully at the job requirement of the experienced graduate civil engineer in your Organization as for the post mentioned above respectively of civil engineering. I feel confident that I possess the requisite qualification and experience. I would feel grateful if you would kindly consider me for the relevant post.

I completed my graduation in the year 1999, with First Class, and also M.B.A. in FINANCE with First Class.

Since then I had worked in infra structures and executed the various projects and completed my responsibilities independently and satisfactorily. This deals in details herein separately.

I would very much appreciate your giving me a chance and allow me to work in your good Organization respectively. I will prove myself the best in completing all my responsibilities, if you have been given an opportunity for the same.

Thanking you,

Yours Sincerely,
Mahesh C. Bhamre
